

Welcome to the Vance minute. I'm Joe B. Wiles with the Public Affairs Office...

Vance first sergeants placed an Angel Tree in the base exchange earlier this month. The tree is decorated with ornaments that have information about a child in a Team Vance family that is facing a lean Christmas morning.

In the spirit of Airmen taking care of Airmen, those that can take an ornament from the tree and fulfill as much of the child's wish list as they can.

Once a list is complete, the first sergeants make arrangements for the gifts to be delivered to the child's home in time for Christmas morning.

Thanks to a Defense Logistics Agency program, the Oklahoma County Sheriff's Department was able to acquire 102 computers from Vance for less than \$30 each.

The program makes surplus computers available to any state, school or federal agency for a five percent service fee.

The Sheriff's Department will use the computers for training programs and software updates.

That's your Vance Minute...have a great Air Force day.
